Gospel Reflection

The 14th Sunday in Ordinary Time Year B reminds us to trust in God's power, even in our weaknesses. It calls us to have faith and recognize God's messengers in our lives.

The Gospel reading shows Jesus visiting His hometown of Nazareth. Despite His wisdom and miracles, the people reject Him because they see Him as just a carpenter's son. This lack of faith amazes Jesus.

Jesus' experience in Nazareth shows us how important faith is. Even though He had the power to perform miracles, the people's unbelief limited what He could do. This teaches us that our faith plays a crucial role in receiving God's blessings.

Jesus challenges the people with a new way of thinking, and it is just too much for them. God is indeed a person, but perhaps we are also more comfortable with the idea of God than an actual encounter. When we encounter God, we know we might be pushed beyond our current way of thinking, and that is frightening.

We are reminded to have faith in Jesus, even when others doubt or reject Him. Our belief in His power can open the door to His healing and new ways of thinking.

Prayer: Lord, give us the strength to speak Your truth, even when it is hard. Help us to embrace our weaknesses and trust in Your power. Increase our faith, so we may always believe in Your love and guidance. Amen.

Reflection Questions

- Why do you think the people of Nazareth rejected Jesus?
- What are some ways you can rely more on God's power rather than your own?
- How can you respond to rejection or resistance when sharing your faith?

FAMILY CONNECTION

Our family plays an important role in shaping us and forming our self-identity. In family life, we find a safe place to discover who we are and who God calls us to be. But sometimes the influences from outside our family can make us unrecognizable to those who know us best. These outside influences can lead us away from God, or they can lead us toward a deeper relationship with God. In today's

Gospel, we see that the people of Nazareth could not recognize Jesus as the Son of God. They could know him only as the son of Mary. We hope that through our family life we will be encouraged to filter the many influences on our lives through the lens of faith so that we will become

the person that God calls us to be. As you gather as a family, talk about the people and events that are influencing members of your family. Acknowledge that many of these people and events are positive influences, helping us be better people and leading us to a deeper relationship with God. Also acknowledge, however, that there are negative influences in our lives that risk pulling us away from God. Observe that Jesus was a person who allowed his relationship with God to be the most important thing in his life. This led many people to have faith in him as the Son of God. However, not everyone could recognize this about Jesus. Read today's Gospel, Mark 6:1-6. Ask:

Who does not recognize Jesus as God's Son in this Gospel? (some of his kinfolk in Nazareth) Observe that because of the people's lack of faith, Jesus could not perform many miracles in Nazareth. Conclude by praying together that our families will continue to help us follow God in our lives. Pray together the [Prayer for Vocations](#).
