

# **The Living Message of Christ**

*The Truth of the Living Word, Jesus, Savior of the World*

## **My power can ensure as fulfilling future . . .**

***And give hope for prosperity and eternal life for you!***

*Most of the stress and pressure you experience is due to your desire to secure a good future for yourself. You must go to school, get a job, and keep working to ensure that your life is comfortable and your needs are met.*

*Despite your efforts, some things are beyond your control, and it can be scary to think about them. You become anxious as you try to figure out how everything will fall into place, and you often feel empty, frustrated and lost.*

*Relax, child! You have a Father who is working behind the scenes. I will give you grace and ensure that you have a great future here on earth and even in eternity.*

*Are you working so hard that you have lost sight of paradise? What is your profit if you gain all these riches but lose your soul? Why not trust My plans? I have prepared to give you both prosperity and eternal life. That is why I give you the grace to do more than what your natural ability can do.*

*My desire for you is that you will be a lender to nations and not a borrower. I desire to see you strong, healthy, and hearty in your old age. I want you to have all the good things of life and yet make it to Heaven on the last day.*

## **Reflect on these words today....**

*“Do not let this book of law depart from your mouth; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous”.*

*--Joshua 1:8*

*“Consider the blameless, observe the upright; there is a future for the man of peace”.*

*--Psalm 37:37*
